TRAVEL REGULATION COUNCIL RULES TEXT OF ADOPTED RULES

SUBPART A: GENERAL

Section 3000.100

Authority

This Part is promulgated under the authority vested in the Travel Regulation Council by the State Finance Act [30 ILCS 105/12-1].

(Source: Amended at 20 Ill. Reg. 7372, effective May 13, 1996)

Section 3000.110

Philosophy

The Travel Regulation Council believes first and foremost that State employees are honest individuals and that claims for reimbursement are made in all good faith. The Council is therefore obliged to deal fairly with agencies and individuals in carrying out its responsibilities.

Section 3000.120

Policy

It is the policy of the State to reimburse employees for reasonable authorized expenses incurred by them in the performance of their duties. The Travel Regulation Council will at least biennially review and revise rates to reflect, as accurately as possible, the actual amounts necessary to reimburse employees. Rates of reimbursement are shown in Appendix A, Reimbursement Schedule.

Section 3000.130

Scope and Interpretation

- a) This Part shall apply to the following:
 - 1) All full and part-time employees of the State regardless of funding source;
 - 2) Public members, whether salaried or unsalaried of State Boards, Commissions, and Authorities, advisory or otherwise;
 - 3) Wards and charges of the State.
- b) The following are specifically exempt from this Part:
 - 1) Elected constitutional officers and members of constitutional State Boards
 - 2) Members of the General Assembly
 - 3) Judges
 - 4) The Auditor General
 - 5) Independent Contractors
- c) Questions regarding interpretation and application of this Part shall first be addressed to an individual's employing agency. The employing agency may refer the question to the Travel Control Board holding jurisdiction over the Agency. The Travel Regulation Council shall have final interpretation of this Part. The decision of the Council as to the proper interpretation of any such rule shall be final and binding. All covered agencies and employees shall comply with the Council's decision in the absence of a written opinion from the Attorney General or a decision of a court of competent jurisdiction.

Headquarters shall ordinarily be the corporate city limits in which the employee is stationed or may be a designated geographical area. SUBPART B: TRAVEL CONTROL SYSTEM

Section 3000.200 Travel Control System

Each Travel Control Board shall prescribe a travel control system for the agencies and employees under its jurisdiction.

Section 3000.210 Designation of Headquarters

- a) Section 12-3 of the State Finance Act, [30 ILCS 105/12-3], requires that Form TA-2 be completed and filed with the Legislative Audit Commission for any individual whose headquarters has been designated as a location other than that at which official duties require the largest part of working time. The reports shall be filed no later than July 15 for the period from January 1 through June 30 of that year and no later than January 15 for the period July 1 through December 31 of the preceding year. (Source: Amended at 20 Ill. Reg. 7372, effective May 13, 1996)

Section 3000.220

**Expenses at Headquarters or
Residence**

- a) As a condition of employment, employees expect to incur commuting expenses between their residence and headquarters. These expenses are not reimbursable. Meals, lodging and per diem are not reimbursable at headquarters or at residence. Expenses associated with State business in excess of commuting expenses are reimbursable at headquarters and/or residence. An employee whose travel does not include travel through headquarters shall be reimbursed for all mileage. An employee whose travel does include travel through headquarters shall be reimbursed for all mileage in excess of commuting mileage. All travel must be by the most direct route.
- b) “Travel through headquarters” is defined as: Any travel to or through the corporate city limits of the employee’s designated headquarters, regardless of whether the employee made a stop at the work site or changed vehicles or modes of transportation.
- c) Examples of reimbursable mileage expenses are as follows:
 - 1) Residence/Lincoln--Headquarters/Springfield. Employee drives from residence in Lincoln to Chicago and returns to residence. Reimbursement is for all mileage because the travel was not to or through headquarters.
 - 2) Residence/Lincoln--Headquarters/Springfield. Employee drives from residence in Lincoln to Collinsville and back to residence. Reimbursement is for all mileage in excess of commuting mileage. The travel, by the most direct route, was through headquarters.
 - 3) Residence/Carbondale--Headquarters/Marion. Employee drives from residence to head-

quarters. Later, employee drives from headquarters to Anna and back to residence. Reimbursement is for all mileage in excess of commuting mileage.

- 4) Residence/Evanston--Headquarters/JRTC, Chicago. Employee drives from residence to McCormick Place for an event. After the event, the employee drives to headquarters, then to residence. Reimbursement is for all mileage in excess of commuting mileage because the travel was through headquarters.
- 5) Residence/Chicago--Headquarters/JRTC, Chicago. Employee normally commutes to work by train. However, in order to attend a meeting at another location, the employee drives from residence to headquarters, then to the meeting location, then returns to headquarters and back to residence. Reimbursement is for all mileage in excess of commuting mileage. The fact that the employee normally rides the train to work has no effect on determining reimbursement.
- d) Agencies are responsible for monitoring claims under this Section.

(Source: Amended at 22 Ill. Reg. 11713, effective July 01, 1998)

Section 3000.230 Preparation and Submission of Vouchers or Travel Expenses

 - 1) Employees using private vehicles while on State business must have insurance coverage in an amount not less than that required by

- b) The maximum reimbursement for lodging in Cook County, Illinois and the District of Columbia shall be in accordance with Section 12-2(e) of the State Finance Act [30 ILCS 105/12-2(e)].

accessible. The traveler should require confirmation that “State rates” offered by hotels-motels are within the maximums allowed. If an exception is not granted by the appropriate Travel Control Board, the employee shall absorb the excess cost. Employees should be prepared to provide identification and proof of State employment to obtain State lodging rates.

Section 3000.420 Conference Lodging

Conference lodging charges or lodging at official meeting hotels when pre-approved by the Agency Head in excess of the maximums allowed in Appendix A, Reimbursement Schedule are considered exceptions to this Part. Policies regarding conference lodging may be established by the Travel Control Boards for their respective jurisdictions.

**Appendix A
Reimbursement Schedule**

(NOTE: See Page 23, Reimbursement Schedule, for rates applicable to employees under the jurisdiction of the Legislative Travel Control Board.)

LEGISLATIVE TRAVEL CONTROL BOARD

The Legislative Travel Control Board has jurisdiction over travel by employees of the General Assembly, legislative boards and commissions, the Office of the Auditor General and all legislative agencies. The Board consists of the following members serving ex-officio: The Auditor General as chairman, the President and the Minority Leader of the Senate, and the Speaker and Minority Leader of the House of Representatives.

The rules adopted by the Travel Regulation Council (80 Ill.Adm.Code 3000.200) require each Board to prescribe a travel control system for the agencies and employees under its jurisdiction. Additionally, the State Finance Act (30 ILCS 105/12-1) gives each Board the authority to approve or disapprove exceptions to the rules.

Pursuant to those authorities, the Board hereby prescribes the following travel control system for the agencies and employees under its jurisdiction.

DESIGNATION OF HEADQUARTERS

- 1) Agency heads shall designate official headquarters for each of their employees. Generally, the official headquarters of an individual is the place where official duties will require that person to spend the most working time during the coming fiscal year. In the case of an individual who is required by official duties to travel almost every working day, the official headquarters may be the place of residence.
- 2) The official headquarters for heads of legislative agencies shall be Springfield unless otherwise approved by the Legislative Travel Control Board. (Approval of an official headquarters in a place other than Springfield can be requested in writing to the Chairman of the Board. Approval is based on whether or not such exception will promote the

efficient and economical conduct of the agency head's official duties.)

- 3) The official headquarters for members of boards and commissions that convene on a periodic or irregular basis shall be the residence of the members.

PREPARATION AND SUBMISSION OF TRAVEL EXPENSES

a) Authorized Form

All claims for the reimbursement of traveling expenses shall be submitted on Travel Voucher (Form C-10) and shall be itemized in accordance with the rules and regulations of the Travel Regulation Council.

b) Purpose of Travel

The purpose of the travel must be explained clearly, either on the face of the voucher or with attachment to the voucher. Acronyms and technical jargon shall not be used in the explanations. Attendance at a conference or convention should be explained in terms of its relation to the traveler's and the agency's function.

c) Time of Departure and Arrival

The date and hour of departure from and arrival at the place at which official travel begins and ends, and points at which temporary duty is performed, shall be shown on the travel voucher where such arrival or departure affects the allowance or other travel expenses. Other points visited shall be shown on the voucher; time of arrival and departure need not be shown.

d) **Privately Owned Vehicles**

When a privately owned vehicle is used, the travel voucher shall show the dates and points of travel, mileage, and mode of transportation. If the distance traveled between any given points is greater than the usual route between these points shown on the mileage chart, the reasons for the greater distance shall be stated.

e) **State Owned Vehicles**

When a State owned vehicle is used, it shall be indicated on the travel voucher; the license number shall be shown in the space provided.

f) **Receipts Required**

- 1) Travel vouchers shall be supported by receipts in all instances for railroad and airplane transportation, for lodging, and all other items in excess individually of \$10.00.
- 2) In the case of railroad travel, the pullman or parlor car stub (if first class ticket used), shall be attached to the travel voucher. For air travel, the receipted copy of the tickets shall be attached. For hotel accommodations, the receipted bill on the statement form regularly used by the hotel shall be attached. For lodging other than hotels, a receipted bill showing the address of the establishment shall be attached. For car storage or repairs, receipts shall be attached.

g) **Number of Copies and Signatures**

An extra voucher copy shall be prepared in those cases which involve an exception to the rules. All copies of the voucher shall be signed by the individual who has incurred the expense and his or her supervisor. The signature is a certification as required by statute.

h) Items Billed Directly

No requests for reimbursement shall be made for items of expenditure in connection with travel which are billed directly to the State (for example, by use of a State credit card). However, such charges shall be itemized on the employee's travel voucher along with all reimbursable items. In all such cases receipts or copies thereof shall also be attached. Such expenses shall not be in excess of the maximum allowed. Meal and incidental expenses billed directly to the State shall be deducted from the per diem allowance. All columns of travel vouchers are to be totaled and cross-footed. The direct bill total will then be deducted from the cross-footed total with the balance being the amount to be reimbursed to the employee.

i) Approval of Travel Vouchers

- 1) Each voucher shall be first approved by the individual's immediate supervisor who shall certify that the travel shown was required by official duties.
- 2) The travel voucher shall then be approved by the head of the individual's agency or a designated representative, who shall sign the original of the voucher.

j) Frequency of Submission

Travel vouchers may be submitted more often than monthly, but the Board encourages submission of one voucher per month per individual when expenses are \$50.00 or less because of the cost to the Comptroller of processing vouchers.

**EMPLOYEE OWNED OR
CONTROLLED HOUSING**

Individual agencies subject to the jurisdiction of the Legislative Travel Control Board may establish policies and procedures for obtaining reimbursement for the use of employee owned or controlled housing while on travel status.

EXCEPTIONS TO THE RULES

- a) In accordance with the State Finance Act, (30 ILCS 105/12), as now or hereafter amended:

AN INFORMATION COPY OF EACH VOUCHER COVERING A CLAIM BY A PERSON SUBJECT TO THE OFFICIAL TRAVEL REGULATIONS PROMULGATED UNDER SECTION 12-2 FOR TRAVEL REIMBURSEMENT INVOLVING AN EXCEPTION TO THE GENERAL RESTRICTIONS OF SUCH TRAVEL REGULATIONS SHALL BE FILED WITH THE APPLICABLE TRAVEL CONTROL BOARD WHICH SHALL CONSIDER THESE VOUCHERS, OR A REPORT THEREOF, FOR APPROVAL. AMOUNTS DISBURSED FOR TRAVEL REIMBURSEMENT CLAIMS WHICH ARE DISAPPROVED BY THE APPLICABLE TRAVEL CONTROL BOARD SHALL BE REFUNDED BY THE TRAVELER AND DEPOSITED IN THE FUND OR ACCOUNT FROM WHICH PAYMENT WAS MADE.

- b) An information copy of each voucher covering a claim involving an exception to the general restrictions adopted by the Travel Regulation Council together with an explanation and justification of the exception, shall be filed by the employee's agency with the Auditor General, who shall submit these vouchers, or a report thereof, to the Legislative Travel Control Board for approval.

The information copy of the voucher should be filed with the Auditor General at the same time that the travel voucher is submitted for reimbursement. The voucher submitted for reimbursement or a referenced attachment should explain the reasons for the approval of the exception. All copies of travel vouchers involving exceptions should bear a statement that a copy of the voucher has been filed with the Auditor General.

- c) The employee's agency shall be notified in writing as to the disposition of the Board. Amounts disbursed for travel reimbursement claims which are disapproved by the Board shall be refunded to the State and deposited in the fund from which payment was made. Proof of this deposit shall be forwarded to the Auditor General by the agency. A copy of the letter notifying an agency of the Board's disapproval of a voucher is placed in the Auditor General's Audit Assignment files and checked in the next compliance audit of the agency involved.

Any questions should be directed to Carol Clarke at 558-6172.

PREFERRED HOTEL LISTING AND TRANSPORTATION

Pursuant to State law [20 ILCS 405/405-190] the Department of Central Management Services is mandated to negotiate with vendors to establish reduced rates and fares for transportation and lodging applicable to all State employees traveling on official business.

A list of hotels can be located at the following internet address:

That listing should be consulted by all State employees, including employees under the jurisdiction of the Legislative Travel Control Board, when making travel arrangements.
